Odometer Reading: 52,100 miles

The Seller further certifies that, to the best of their knowledge:

- The odometer reading reflects the mileage in EXCESS of the odometer's mechanical limits.
- The odometer reading is NOT the actual mileage — ODOMETER DISCREPANCY.

WARNING: Federal law and Florida Statutes make it a crime to tamper with an odometer or provide a false odometer disclosure statement. Penalties may include fines and imprisonment.

5. Condition of Vehicle

Unless otherwise specified in a separate written warranty, this vehicle is sold "AS IS" and "WHERE IS" without any warranties of any kind, either express or implied, including but not limited to any warranties of merchantability or fitness for a particular purpose.

The Buyer acknowledges that they have inspected the vehicle or have had the opportunity to have the vehicle inspected by a qualified mechanic of their choice prior to purchase. Known Liens/Encumbrances: None (unless otherwise stated)

If any lien exists, the Seller agrees to satisfy the lien and provide a clear title to the Buyer within a reasonable time after the sale. Failure to provide a clear title may constitute a breach of this agreement and entitle the Buyer to rescind the sale and receive a full refund of the purchase price.
